

# Furniture Sourcing Checklist for Hotels & Restaurants

Use this checklist to evaluate and shortlist the most reliable furniture manufacturers in India for your hospitality project. Tick off each criterion before placing a bulk order.

- ☐ Does the manufacturer specialize in hospitality furniture (not just residential)?
- ☐ Do they offer custom manufacturing based on your specifications?
- ☐ Are they equipped with CNC, powder coating, and upholstery facilities in-house?
- ☐ Have they worked with international hotel or restaurant chains before?
- ☐ Do they offer detailed, component-wise costing in INR + USD?
- ☐ Are they familiar with fire safety norms like BS 7176 / BS 5852 for upholstery?
- ☐ Can they share photos or samples of previously completed hospitality projects?
- ☐ Are packaging and FOB costs broken down transparently?
- ☐ Do they provide mockups or 3D renders before mass production?
- ☐ What is their average production lead time? Is it under 10 weeks?
- ☐ Are they located near an export port (Mundra, Nhava Sheva, etc.)?
- ☐ Do they offer container optimization and full export documentation support?
